

MAT107SP Series

SC & LC multimode & singlemode fibre panels

Mini5 1U SC & LC Sliding Patch Panels

The Mini5™ loaded sliding patch panels have been designed as a flexible fibre panel solution for network installers. Available pre-loaded with connectors to suit most fibre applications. The unique design allows SC or LC connectors to fit flush to the panel front without individual screws.

Features

- Available in 2 to 96 fibre configurations
- 1U High
- Double skin panel allows flush mounting of couplers
- 206mm deep tray excluding rear cable glands & front fixing
- Write on port identification
- 2 x 25mm cable entry holes on rear
- 2 x 20mm cable entry holes on rear
- Removable 19" rack mounting ears
- Supplied with 1 x 20mm cable gland with up to 11mm cable entry
- Cable fixing hoops

Description SC Multimode Panels	Part No
Mini5 2 x Duplex SC (4 x Connections) 1U Multimode	MAT107SP18C04
Mini5 4 x Duplex SC (8 x Connections) 1U Multimode	MAT107SP18C08
Mini5 12 x Duplex SC (24 x Connections) 1U Multimode	MAT107SP18C
Mini5 24 x Duplex SC (48 x Connections) 1U Multimode	MAT107SP24C

SC multimode panels use the Mini5 SC duplex couplers. Part No FCSC-DPB-BE
Each tray comes with a MAT107-Spool management kit
Unused slots are filled with blanks to Part No FCSC-BLNK

Description SC Single Mode Panels	Part No
Mini5 12 x Duplex SC (24 x Connections) 1U Singlemode	MAT107SP18CS
Mini5 24 x Duplex SC (48 x Connections) 1U Singlemode	MAT107SP24CS

SC Singlemode panels use the Mini5 SC duplex couplers. Part No FCSC-DPBSE
Each tray comes with a MAT107-Spool management kit

Description LC Multimode Panels	Part No
Mini5 12 x Quad LC (48 x Connections) 1U Multimode	MAT107SP18QC
Mini5 24 x Quad LC (96 x Connections) 1U Multimode	MAT107SP24QC

The LC panels use the high density Quad LC couplers giving high fibre counts in a 1U panel. These panels use the Mini5 LC Quad couplers.
Part No FCSC-QDPB. Each tray comes with a MAT107-Spool management kit

Description Additional cable Glands	Part No
Mini5 20mm Black Cable Gland 5-12mm cable entry	MT-GD20BK
Mini5 25mm Black Cable Gland 13-18mm cable entry	MT-GD25BK
